

# SARA REVOLUTIONARY CAPTAIN

**Preparation:** We recommend using sharp clippers to remove parts from the frame. Pulling parts from the sprue without clipping may result in damage to delicate parts. Use a hobby knife, seam scraper or file to remove any mould lines or frame joint nubs left by the clippers.

**Assembly:** For best results, use plastic glue (polystyrene cement).

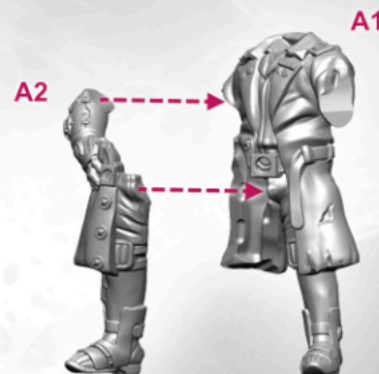

## PARTS LIST

A1	Body
A2	Right Leg
A3	Left Arm
A4	Head
Base	MEBS02 - 28mm Round Base
