OFFICIAL RULES ERRATA

Rulebook (print version)

(page 96) Cybel Refineries: add a white "X" inside of the blue diamond.

(page 97) Excavation: add a white "X" inside of the blue diamond.

(page 97) Territories: add a white "X" inside of the blue diamond.

(page 116) Micro Drones, Command Booster, replace final sentence with: "If taken by a model with the Command (0) ability, it instead removes the restriction that the model may only issue an order to its own unit."

(page 125) Cybel Frenzy, replace final sentence with: "However, while cybel frenzied, each to hit roll of 1 with the model's primary weapon inflicts a hit against its own unit."

Mission Cards

Forward Unto Victory mission card, Demolition objective type, add: "1 Demolition Marker (per player)", with the number 1 inside of a blue diamond.

Split Research mission card, VIPs objective type: replace the blue diamond with a red square.

Unit Cards

Karist Enclave Mature Angel unit card, replace: "Core" unit symbol with "Anvil" unit symbol.

Karist Enclave Shadow Walker unit card, replace existing flavor text with: "Rift teleportation allows these mysterious agents to infiltrate governments and battlefields alike."
